To whom it may concern,

It gives me immense pleasure to write in support of Dr. Erri CIPPINI's application for the position of specialist plastic surgeon with your esteemed health facility. As I am totally convinced that Dr CIPPINI will make an immediate positive contribution in any healthcare facility or institution that will have the privilege to host this highly experienced and skilled professional.

Dr CIPPINI is a very talented surgeon with expertise covering a large spectrum of plastic reconstructive and aesthetic surgery. He is smart and confident, yet humble. He was always well-liked by his peers and well accepted by the nursing staff.

As specialist consultant, he conducted several successful academic lectures and clinical skill transfer sets for junior residents plastic surgery. His energetic nature and positive attitude gives delight to all the people working with him. He is a conscientious plastic surgeon and shows an excellent fund of knowledge and a willingness to go beyond the usual role of the physician, demonstrating a commitment to continuity in caring for his patients.

Erri is modest, but his talents were always well known among faculty and colleague who had the privilege like me to collaborate with him. He has excellent written and verbal communication skills, is extremely organized, reliable, and computer literate.

The diligence, intellect and commitment of Dr Cippini to his studies and to his medical art after are simply unmatched. His greatest pleasure is to challenge himself that refines him day by day. Dr.CIPPINI is just the type of natural leader and well-rounded professionals who would be a welcome addition to any institute.

In summary, I would strongly recommend and fully endorse the application of Dr ERRI CIPPINI. Please let me know if you can benefit from any further insights into Dr CIPPINI's experience and character. As I am confident that he will excel in every mission allocated to him. Please do not hesitate to contact me on the above numbers.

Sincerely,

Dr Mazen Iskandarani
